Local Food
Guide

Arrow Slokan Tourism, in partnership with Slokan Valley Economic Development, have created this food guide to celebrate regional agriculture and create a fun (and delicious) way to explore the Slokan Valley!

When using this guide, please remember that things can change. When making plans, check online and/or contact businesses to confirm operating hours.

Visit centralkootenayfood.ca for the Central Kootenay Farm & Food Directory. Many thanks to CKFPC for their work!

We wish to acknowledge all who have come before us on this land, those who feel connected to it, and care for it, so that it continues to nourish us all.
